Let's do **good** together.

Volunteering that Transforms Lives

In Western Australia, more than **100,000 people with disability of working age are unemployed**. That's talent, potential, and opportunity left untapped.

At Good Sammy Enterprises, we exist to change that. Since 1958, we've created employment and training opportunities for people with disability — building inclusive workplaces and stronger communities along the way.

When your organisation volunteers with us, you're helping to:

- Deepen your team's understanding of disability employment and inclusion
- Inspire positive change while team building
- Contribute to a circular economy and a more inclusive community
- Boost morale and demonstrate your commitment to social responsibility

Together, we can create a better future for people with disability — and an experience your team will never forget.

“

If it wasn't for Good Sammy I wouldn't have a job. It's helped me get new life skills.
